TV: Maisie Dobbs; Jacked. SLAM TV, a new production company based in the U.K. and headed by actors Stephen Mangan (Episodes) and Andrew Lincoln (The Walking Dead), has acquired the option to develop a TV series based on the Maisie Dobbs historical mysteries by Jacqueline Winspear.Click to see full answer Keeping this in consideration, will there be a new Maisie Dobbs book in 2020? The Latest Books APRIL 2020: Jacqueline’s essay “Writing about War” will be published in the new anthology Private Investigations: Mystery Writers On The Secrets, Riddles and Wonders In Their Lives. MARCH 2021: Publication of the new novel in the Maisie Dobbs series!Also, how many books are there in the Maisie Dobbs series? Fifteen books In respect to this, what is the order of the Maisie Dobbs series? Maisie Dobbs — Jacqueline Winspear Order Title Date 1 Maisie Dobbs Jul-2003 2 Birds of a Feather Jun-2004 3 Pardonable Lies Sep-2005 4 Messenger of Truth Sep-2006 Does Maisie marry Dobbs?At long last they married - James Compton and Maisie Dobbs. Hurrah! They moved to Canada together and were living a wonderfully, happy smug married life. (Thank you to the publisher and TLC Book Tours for providing me with a copy of this book!) about book: Maisie Dobbs returns in a powerful story of political intrigue and personal tragedy: a brutal murder in the British garrison town of Gibraltar leads the investigator into a web of lies, deceit, and danger. Spring 1937. In the four years since she left England, Maisie Dobbs has experienced love, contentment, stability—and the deepest tragedy a woman can endure. Now, all she wants is the peace she believes she might find by returning to India. But her sojourn in the hills of Darjeeling is cut short when her stepmother summons her home to England: her aging father, Frankie Dobbs, is not getting any younger. On a ship bound for England, Maisie realizes she isn’t ready to return. Against the wishes of the captain who warns her, “You will be alone in a most dangerous place,” she disembarks in Gibraltar. Though she is on her own, Maisie is far from alone: the British garrison town is teeming with refugees fleeing a brutal civil war across the border in Spain. And the danger is very real. Days after Maisie’s arrival, a photographer and member of Gibraltar’s Sephardic Jewish community, Sebastian Babayoff, is murdered, and Maisie becomes entangled in the case, drawing the attention of the British Secret Service. Under the suspicious eye of a British agent, Maisie is pulled deeper into political intrigue on “the Rock”—arguably Britain’s most important strategic territory—and renews an uneasy acquaintance in the process. At a crossroads between her past and her future, Maisie must choose a direction, knowing that England is, for her, an equally dangerous place, but in quite a different way. my thoughts: They day my postman delivered my copy of A Dangerous Place I literally whooped for joy. I was so happy to have in my hands the latest book in the Maisie Dobbs series - the eleventh novel in fact. So, I settled into my favorite reading spot and dove straight in. For the next few hours all I did was sob and sigh. Yes, I was an emotional mess as I learned about everything our beloved Maisie had endured since leaving to India. For poor Maisie had experienced some MAJOR losses during her time away from us. Instead of the “happily ever after” that I was hoping to read about, I found myself learning how Maisie became so sad and depressed. At long last they married - James Compton and Maisie Dobbs. Hurrah! They moved to Canada together and were living a wonderfully, happy smug married life. There was even a baby on the way. Talk about exciting! I was thrilled to learn about Maisie’s new life. And then I read about the end of it all. You see, James was still involved with the creation of new war planes and even though he had promised Maisie he would now be a man on the ground, he agreed to fly once more. Maisie saw the flight that day and she saw her husband come crashing down to the ground. She lost James and the baby in one fell swoop. I was devastated. Oh, how I cried for Maisie and her family. I couldn’t believe that Winspear would do this to Maisie after all she has been through - her mother, the war, Simon, Maurice. But she did. And now we have Maisie the widow, the bereaved. Oh, how my heart broke for her. In A Dangerous Place, we find Maisie literally and figuratively in dangerous places. Mired in grief, Maisie has spent some time alone, lost in her thoughts and sadness. But, after receiving a letter from her stepmother, she has decided to head back home to Old Blighty. Except, that she’s not ready to face the familiar, so she settles in Gibraltar - a place close to home, but not too close. Also, a place bordering a civil war next door in Spain, which means that danger is near. Of course, Maisie takes it all in stride, thanks to her morphine pills. Yes, Maisie has taken to popping pills now and again to dull the pain that overwhelms her. She’s even taken up smoking - if only Pris could see her now! However, one night when she is out walking she stumbles upon the body of a dead man and soon finds herself investigating his death. Maisie packs away the morphia and draws a case map in the hopes of getting lost in her work once again. Unfortunately, she soon finds herself being tailed by a local man named Arturo Kenyon and eventually by Macfarlane. Yeah, Maisie just can’t seem to lose herself completely from family and friends - they all want to know where she is and how she’s faring. In the end, she does eventually figure out what she needs to do in order to slay this new dragon that won’t let her go and investigative work, England, and morphia are certainly not the answers. To find out what happens to Maisie, you must pick up a copy and read. Fans of this series will be so happy they did. I absolutely LOVED A Dangerous Place. It is now one of my favorite books in the series. Of course, I was gobsmacked to find out what had transpired since we last heard from Maisie, but in the end Winspear brought our beloved Maisie back to life (and I just loved reading all about it). I most definitely can’t wait for the next book in the series and can only hope that it comes out much sooner than later. To find out what other bloggers are saying about Jacqueline Winspear’s latest Maisie Dobbs book, check out the link to the TLC Book Tour schedule for: A Dangerous Place Thank you to the publisher and TLC Book Tours for providing me with a copy of this book! Jacqueline Winspear is the author of the historical mystery series Maisie Dobbs, featuring Maisie, a psychologist and private detective in London starting out in the 1920s after the end of WWI.The first book in the series was published in 2003, and the latest release appears early 2017 under the title In This Grave Hour. The 13th book finds Maisey at the cusp of WWII, while she reopens her detective investigation company.Here are the Jacqueline Winspear books in order for her Maisie Dobbs historical mystery series.Maisie Dobbs SeriesMaisie Dobbs (Maisie Dobbs #1), 2003Birds of a Feather (Maisie Dobbs #2), 2004Pardonable Lies (Maisie Dobbs #3), 2005Messenger of Truth (Maisie Dobbs #4), 2006An Incomplete Revenge (Maisie Dobbs #5), 2008Among the Mad (Maisie Dobbs #6), 2009The Mapping of Love and Death (Maisie Dobbs #7), 2010A Lesson in Secrets (Maisie Dobbs #8), 2011Elegy for Eddie (Maisie Dobbs #9), 2012Leaving Everything Most Loved (Maisie Dobbs #10), 2013A Dangerous Place (Maisie Dobbs #11), 2015Journey to Munich (Maisie Dobbs #12), 2016In This Grave Hour (Maisie Dobbs #13), 2017To Die But Once (Maisie Dobbs #14), 2014The American Agent (Maisie Dobbs #15), 2019About The AuthorJacqueline Winspear (website) was born in 1955 in a small village in Kent, United Kingdom, where she grew up.After graduating from the University of London’s Institute of Education, since the teaching market was flooded, she started working as a flight attendant as she wanted to see the world.Next she took sales and marketing jobs in the fields of academic publishing, higher education and marketing communications.In 1990 she moved to the US, where she began working as a professional and personal coach. It was during this time that she became again interested in writing books (her childhood dream), and the topic of WWI became a natural choice since Jacqueline’s grandfather had fought and was severely wounded in that horrible war.The author has also written several articles in women’s magazines on topics evolving around international education.She is currently living in the San Francisco Bay Area, however she takes often trips to the UK each year, where she visits her parents in Sussex.Jacqueline Winspear is now a full time author.The first book in the Maisie Dobbs series became a national bestseller and received several awards and accolades, including New York Times Notable Book 2003, a BookSense Top Ten selection, a Publishers Weekly Top Ten Mystery 2003, the prestigious Agatha Award for Best First novel, the Macavity Award for Best First Novel, and the Alex award.It was also nominated for seven awards, among them including the Edgar for Best Novel.The next books in the series also received award nominations and were well received by critics and readers alike.
